Bike Commuter Club Opens at Nash-Zimmer Transportation Center

The Town of Mansfield announces the opening of the Bike Commuter Club at the Nash-Zimmer Transportation Center. The Nash-Zimmer Transportation Center, which opened in 2014, was designed to promote various modes of transportation including bike, bus, and shared-car alternatives.

The Bike Commuter Club provides access to Commuter Club members for bicycle storage and private showers and lockers from 5:00 am to midnight. There are limited spots available due to space; interested riders can sign up for membership at the Nash-Zimmer Transportation Center (23 Royce Circle) between the hours of 10:00 am and 5:00 pm, Monday through Friday. Downtown ambassadors at the front desk can assist with questions about Commuter Club membership, rates, and policies.

Questions may be directed to the Town of Mansfield Department of Public Works at (860) 429-3676.
